EXECUTIVE ADVISORY PROFILE SUMMARY

Senior executive and trusted board-level advisor with 30+ years of international leadership experience across DACH, CEE and EMEA. Proven track record in EBIT-driven growth, organizational transformation, international expansion and the development of scalable operating models, with P&L responsibility of up to €600M.
Combines deep commercial leadership with digital acceleration, AI-enabled strategy and customer-centric transformation. Experienced in advising C-suite leaders and boards on growth, operating model redesign, market entry, turnaround and cultural change across start-up, scale-up and multinational corporate environments.

PROFESSIONAL PROFILE

Seasoned Senior International Executive and Board-Level Advisor with 30+ years of experience driving EBIT-led growth, transformation and value creation across consumer electronics, household appliances, B2B technology distribution and premium consumer brands throughout EMEA and global markets. Proven P&L leadership exceeding €600M and a track record of building businesses from start-up to €100M+ in revenue across 50+ countries.
Trusted advisor to Boards, C-suite leaders and Private Equity stakeholders on growth strategy, organisational transformation, digital acceleration, AI-enabled business models, market expansion and operating model redesign. Recognised for translating strategic ambition into disciplined execution, stronger profitability and sustainable competitive advantage.
International business builder and transformation leader who combines commercial rigour with customer-centric leadership, governance discipline and deep talent development. Built high-performing multicultural leadership teams across 15+ countries and led complex turnarounds, digital transformations and organisational change with measurable business impact.
Brings a distinctive combination of strategic judgment, hands-on execution and international perspective, supported by executive education at Columbia Business School and IMD Lausanne, with Six Sigma Black Belt & Champion expertise.
